

APPEA2023
CONFERENCE AND EXHIBITION
ADELAIDE, SOUTH AUSTRALIA 15-18 MAY 2023

POST SHOW REPORT

Lead, shape, innovate — accelerating to net zero

APPEA is now trading as

australian
energy
producers

PRINCIPAL PARTNERS

ExxonMobil

“

The conference embodied its theme around lead, shape, innovate – accelerating to net zero. We had over 2,000 delegates from across Australia, discussing and debating the innovation and investment we need to reach our goals.

”

SAMANTHA MCCULLOCH,

Chief Executive

AT A GLANCE

MONDAY 15 – THURSDAY 18 MAY

Adelaide Convention Centre

“Everybody you need to speak to, everyone you’re working with is here. This is a world-class conference. It means we can all share what is going on in each state and territory and discuss the change of technology, the innovation and how we need to keep working together.”

NICOLE MANISON,
Deputy Chief Minister,
Northern Territory Government

The annual APPEA Conference and Exhibition is Australia’s largest and most anticipated energy industry event. As a key forum, it brings together heads of industry, government decision-makers, customers and financiers to set the agenda for Australia’s energy future.

The theme for APPEA 2023 was: *Lead, shape, innovate – accelerating to net zero*. The event took place during a period of unprecedented change for the industry. The key discussion points were the increasing demand for energy around the world and the dual need for energy security and emissions reduction which continues to shape the social, economic and political landscape.

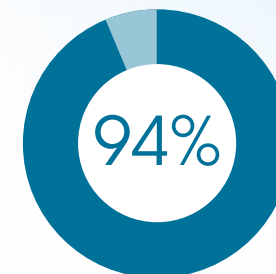

The APPEA Conference and Exhibition was highly successful, bringing the industry together to learn, share and contribute to its future.

BRINGING THE EXPERTS TOGETHER

We are proud to host the annual Conference and Exhibition produced for the industry, by the industry. All components of the event are relevant, tailored and meaningful to ensure maximum value is delivered to delegates.

Each year, over 2,000 commercial executives and technical experts gather in one place to network and discuss current issues, share the latest innovations and the future of the Australian oil and gas industry.

Some of the key highlights include meeting our key clients and engaging with them out of the office environment and hearing the Plenary sessions is always good.

TIM HARWOOD,
Group Executive – Infrastructure Services, Ventia

COVERS THE IMPORTANT TOPICS

The presenter line-up at this years' APPEA Conference was world-class with leading industry experts and key change makers invited to present on the latest challenges and provide their insights on the future of the energy sector.

A primary reason delegates return to the APPEA Conference and Exhibition year after year is the quality of the content, the transparency of information sharing and the accessibility of speakers.

THE 2023 CONFERENCE DELIVERED:

5

Plenary
Sessions

26

Plenary
Speakers

27

Technical and
Business
Program Sessions

127

Technical and
Business Speakers

50+

Hours of
Content

“ Sustainability, security of supply and affordability are key issues around the world and this conference is when we can come together to talk about these key issues and discuss with thought leaders the technology that is going to be required to accelerate to a net zero future. ”

DYLAN PUGH,

Chairman, ExxonMobil Australia

PLENARY SESSIONS INCLUDED:

LEAD, SHAPE, INNOVATE – ACCELERATING TO NET ZERO

The Hon Madeleine King MP
Minister for Resources and Minister for Northern Australia, Australian Government

The Hon Tom Koutsantonis MP
Minister for Energy and Mining, South Australian Government

Meg O'Neill
Chair, APPEA; Chief Executive Officer and Managing Director, Woodside Energy

Glenn R Stevens AC
Former Governor, Reserve Bank of Australia

ENERGY SECURITY – THE CHALLENGE OF OUR TIME

Facilitated by Ali Moore, Journalist and Broadcaster

Professor Jason Bordoff
Founding Director; Co-Founding Dean, Center on Global Energy Policy, Columbia University Climate School

Anna Brakey
Commissioner, Australian Competition & Consumer Commission (ACCC)

Saul Kavonic
Head of Energy and Resources, Credit Suisse Mgmt (Aust)

Tony Nunan
Executive Vice President Integrated Gas Australia & Country Chair Australia, Shell

Meg O'Neill
Chief Executive Officer and Managing Director, Woodside Energy

NEW ENERGY TECHNOLOGIES – OPPORTUNITIES AND REALITIES

Facilitated by Ali Moore, Journalist and Broadcaster

Irtiza H Sayyed
President, Asia Pacific, ExxonMobil Low Carbon Solutions

David Fallon
General Manager, Energy Transition, Chevron Australia

Adam Goff
Senior Vice President of Strategy, 8 Rivers

Azad Hessamodini
Executive President, Consulting, Wood

Kathy Xitong Gao
Senior Associate – Hydrogen, BloombergNEF

FEDERAL OPPOSITION ADDRESS AND ACCELERATING TO NET ZERO – THE RACE IS ON

Facilitated by Jacob Greber, Senior Correspondent, Australian Financial Review

The Hon Peter Dutton MP
Leader of the Opposition

Kevin Gallagher
Chief Executive Officer and Managing Director, Santos

Professor Andrew Garnett
Director, UQ Centre for Natural Gas, and Director, Carbon Capture and Storage (CCS) Program, The University of Queensland

Vanessa Lenthall
Executive Director and Head of Energy Finance (excluding US), Macquarie Commodities and Global Markets Group

Judit Prieto
Senior Vice President, Enterprise Solutions, Customer Experience & Projects, Baker Hughes

POLITICAL AND STAKEHOLDER PANEL – HOW TO NAVIGATE UNCHARTERED WATERS

Facilitated by Jacob Greber, Senior Correspondent, Australian Financial Review

Rebecca Brown PSM
Director General, Department of Jobs, Tourism, Science and Innovation

Ian Davies
Chief Executive Officer, Senex Energy

Senator Susan McDonald
Shadow Minister for Resources and Northern Australia

The Hon Scott Stewart MP
Minister for Resources, Queensland Government

Tony Wood
Energy and Climate Change Program Director, Grattan Institute

NETWORKING AND EVENT INSIGHTS

The Conference and Exhibition provided exceptional networking opportunities designed to encourage professionals in the energy industry to meet, talk and do business.

Every delegate enjoyed multiple opportunities to network with clients, suppliers and partners. The networking events included:

Authors' Lunch

Conference Dinner

Collaboration Centre

Farewell Cocktails

Happy Hours

Meeting Zone

Members' Lunch

Networking Lunches

Presenters' Networking
Breakfast

Welcome Reception

Youth Program

CONFERENCE AWARDS

Each year APPEA recognises outstanding work and achievements in the oil and gas industry, with a number of awards presented during the annual APPEA Conference.

[Click here for more information on the Awards and the 2023 recipients](#)

APPEA 2023 EXCELLENCE AWARDS

APPEA was pleased to present awards to those who had provided exceptional contributions to the industry and to the event itself.

SPREADING THE WORD

- APPEA 2023 was strategically marketed across multiple channels to a local audience (Australia and New Zealand) as well as an international audience.
- A total of 22 eNewsletters and Newsflashes were published for the APPEA 2023 campaign, including three during the conference.
- The media coverage for APPEA 2023 grew by 50% compared to 2022, with 1,493 media mentions over the week. The key focus for media was the industry's focus on net zero technologies such as CCUS and hydrogen.
- APPEA hosted 40 journalists from across Australia and the world, including publications such as The Wall Street Journal, Australian Financial Review, The Australian, Sky News Australia, Bloomberg and many other notable publications.

DELEGATE INSIGHTS

We strive to provide delegates with a valuable, engaging experience that informs, entertains, and inspires year after year.

of delegates said they made new business contacts*

rated the quality of the exhibition as 'Good' or 'Excellent'*

4.4 stars was the weighted average rating amongst delegates for the Plenary program*

of delegates rated the APPEA Conference & Exhibition in the top 10 industry events*

It's a great opportunity to catch up with colleagues share ideas and get a better understanding of what's going on in the industry, where we're headed and how we can work together for a brighter future.

BILL TOWNSEND,
Senior Vice President, INPEX

*Based on the 2023 post event delegate survey

EXHIBITOR INSIGHTS

The Exhibition proved again it is the coveted hub of the sector, as it provides the opportunity for organisations to demonstrate the latest innovations and technology that will revolutionise the industry.

Delegates were able to engage directly with companies that bring the latest and greatest to the industry and in some cases even test out the technology for themselves.

The Exhibition included over 120 of the top companies in the sector with key staff from the full supply chain ready to engage, inform and generate business leads.

“ The highlight of the conference for me is the exhibition hall. The buzz of people talking together is great. ”

RACHAEL RISUCCI,
MD, Gas & Low Carbon Energy Australia

“ We have a lot of delegates at the conference, everyone's here, it's a great opportunity to discuss issues and create opportunities amongst companies in a single forum. ”

ANDREW HACKWOOD,
Country Manager – Australia, Tri-Star Group

SPONSOR INSIGHTS

It was a prime place to promote company brands in front of the entire energy industry.

There was a wide range of packages available to ensure organisations could choose a strategy to best align with their focus area and business goals.

“ This is a fantastic networking opportunity’ whether that’s reconnecting with people you already know or making new connections and forging new partnerships. ”

JOSIE PHILIPS,
Regional Director, Petrofac
