Step E Follow the process through each stage, completing the relevant pages

1. Type, Title and Paper Proposal
   - Select 'Paper Proposal'. Within the submission process you will be asked which type of paper you are looking to publish.
   - Type or paste in your paper proposal/initial written proposal. You are not able to attach a document. Proposal must be a maximum of 250 words.
   - Choose which theme you believe your paper should be assessed within.
   - Type the keywords you believe your paper relates to.

2. File Upload
   - Please upload a high-resolution headshot/photo in JPEG format (300dpi) for the nominated speaker at the Australian Energy Producers 2026 Conference & Exhibition.

3. Authors and Institutions
   - Indicate if you are an author of the paper or submitting on behalf of the authorship.
   - Add the authors who will contribute to this paper by searching their email address. If any of the authors have submitted to ScholarOne before their details will be prepopulated.
   - To edit the details of an author, please select 'Edit' under the 'Actions' menu for the relevant author. Each author's institution should be selected from the drop-down list. If the institution is not listed, please type the name of the institution in full and proceed as normal (disregard the Ringgold alert).
   - If an author is new to ScholarOne, please search their email address, then use the link 'create a new co-author'.
   - Please ensure you place authors in the same order as their anticipated order on the published paper.
   - The 'Actions' button is used to assign the corresponding/lead author (the author to whom questions should be communicated regarding the paper).
   - We strongly recommend the presenter is the corresponding/lead author.
   - Indicate who will attend and present this submission in the Technical & Business Program at the Australian Energy Producers 2026 Conference & Exhibition, should the submission be successful.
   - Provide details of the speaker as instructed including their 150-word biography.
   - If you would like to have more than one speaker, please provide the details of same to Australian Energy Producers at speakers@energyproducers.au.

4. Details & Comments
   - Answer the questions as instructed regarding the content and presentation of your Paper Proposal.
   - Select your preferred paper type/publication style and presentation type.

5. Review and Submit
   - Scroll through the entire PDF checking that all text and figures are correctly rendered.
   - Select Submit.
